Dear Calgary Sports Car Club Members,

It is with regret that I am writing to inform you of my decision to resign my position of President on the board of the Calgary Sports Car Club, effective immediately.

While I greatly appreciated the time with the Calgary Sports Car Club from December 14, 2017 to April 3 2018, due to intractable differences in governance, absence of clarity with financial best practices, and timely remediation for mold abatement in the club house. I feel that it would be a disservice to the members to continue my fiduciary responsibilities: 1) the duty of care; 2) the duty of obedience, and 3) the duty of loyalty.

It has been a pleasure being a part of the Calgary Sports Car Club board, and I am proud of accomplishments that were achieved during my brief term.

Any questions going forward where I can be of assistance please feel free to ask in kind.

This letter has been submitted in person to the board at the meeting minutes April 3, 2018.

See you at the track,
